DIAMONDS are FOREVER

OCTOBER 25TH - CENTENNIAL HOTEL

WHAT IS COOKING FOR A CAUSE?

Once a year the Greater Spokane County Meals on Wheels partners with Senior Action Network of Eastern Washington (SANEWA) to host Cooking for a Cause. Proceeds of event admissions support Meals on Wheel's mission to feed **Spokane County's Seniors who desperately need food.**

Local chefs **come together to compete:** donating their time, food and talent to cook their signature dishes while over 350 guests feast and vote on their favorites.

During dinner, items are sold to the highest bidders through live & silent auctions. 100% Of this evening's auction and raffle profits earned will support Greater Spokane County Meals on Wheel's mission which services the entire 1,800 square mile area of Spokane County.

Since it's conception in 2016, Cooking for a Cause has raised over \$180,000 which equates to around 60,000 meals for our regional seniors who need help!
